

TRADISI, MODERN, DAN
INTERKULTURAL DALAM
TEATER INDONESIA

Sahrul N.¹

Abstract: Three theatrical forms are now developing in Indonesia, such as traditional theatre and intercultural theatre. Each of them has a distinctive trait. Traditional theatre appears and lives in traditional society. Modern theatre is a form that comes from the west, while intercultural theatre combines the existing elements into a distinctive form. Those elements may come from west or from different ethnics throughout Indonesian.

Key word: Inter-culturalism, theatre, modern, and tradition.
